Office Memorandum • UNITED STATES GOVERNMENT

TO :

DATE: 2 June 1947

FROM :

25X1A

SUBJECT: Attached Memorandum on Soviet Periodicals.

Recommendations:

1. That representatives of Documents Branch be allowed to maintain operational liaison with State Department (Mr. Nordberg, IAD) and the American Council of Learned Societies (Mr. Huntington) on this project. Liaison to be for two purposes:

a. to avoid duplication by CIG in abstracting of any periodicals covered by ACLS.

b. to assist State Department and ACLS in organizing their abstracts so that the latter will be usable by CIG (questions of format etc.)

2. That the attached request for clearance and establishment of an authorized contact with Mr. Mortimer Graves and Mr. Earnest Simmons of the American Council of Learned Societies be forwarded to Contact Branch for action.

3. That steps be taken to permit investigation of other organizations, such as the National Academy of Sciences, which may be engaged on similar or related projects.
